To Whom It May Concern:

Indium Corporation, located in Clinton and Utica, New York, has been confirmed in SRI's schedule for an IATF 16949:2016 and ISO 9001:2015 renewal audit event from August 27 – August 31, 2018.

The registration certificate will be received shortly after review and acceptance of any nonconformances found during the Renewal Audit and approval by SRI's RRP (Registration Review Panel). In the meantime, this correspondence will substantiate Indium Corporation's current "in-process" status.

SRI looks forward to working with Indium Corporation in maintaining their IATF 16949:2016 and ISO 9001:2015 registration. Please contact me with any questions.

Sincerely,
