SAFETY DATA SHEET

1. PRODUCT AND COMPANY IDENTIFICATION

Product Identifier: INDALLOY 256 (SAC305) (96.5Sn/3Ag/0.5Cu)
SDS Number: SDS-4207
Product Use: Industrial Use – Mixture - Alloy Metal Mix

MANUFACTURER:

In America:
The Indium Corporation of America®
34 Robinson Rd., Clinton, New York 13323
Information: (315) 853-4900

In Europe:
Indium Corporation of America® (European Operations)
7 Newmarket Ct.
Kingston, Milton Keynes, UK, MK 10 OAG
Information: +44 [0] 1908 580400

In Asia:
Indium Corporation of America
Asia-Pacific Operations-Singapore
29 Kian Teck Avenue
Singapore 628908
Information: +65 6268-8678

EMERGENCY PHONE:
CHEMTREC 24 hrs.
USA: 1 (800) 424-9300
Outside USA: +1 (703) 527-3887
China Emergency:+86 4008417580

2. HAZARDS IDENTIFICATION

PRIMARY ROUTES OF ENTRY:

<table>

Carcinogen listed in

- NTP
- IARC
- OSHA
- Not Listed

GHS:

No pictogram

No hazard statements- no known significant effects

Tin metal is not classified as hazardous or dangerous.
Precautionary statement(s)
P233  Keep container tightly closed  
P261  Avoid breathing dust/fume/gas/mist/vapors/spray  
P270  Do not eat, drink or smoke when using this product  
P273  Avoid release to the environment  
P280  Wear protective gloves/protective clothing/eye protection/face protection  
P362 +P364  Take off contaminated clothing and wash before reuse  
P301 + P314  IF SWALLOWED: Get Medical advice/attention if you feel unwell  
P302 +P352  IF ON SKIN: Wash with plenty of soap and water  
P304 + 341  IF INHALED: If breathing is difficult, remove victim to fresh air and keep at rest in a position comfortable for breathing  
P305 + 351  IF IN EYES: Rinse continuously with water for several minutes (15 mins)  
P501  Dispose of in accordance with applicable local/state and federal regulations. Consider recycling.

POTENTIAL HEALTH EFFECTS:

**Eye Contact:** Mechanical irritant. Contact with powered metal alloy or fume from molten metal may cause irritation. Severe eye damage may result from hot molten metal being splashed into the eyes.

**Ingestion:** Not generally considered toxic, but large amounts may cause gastrointestinal disturbances due to local irritation.

**Inhalation:** Dust may cause irritation to the respiratory tract and mucous membranes.

**Skin Contact:** Mechanical irritant on contact cannot be absorbed through skin. Hot molten metal may cause burns to the skin.

**Chronic:** Prolonged inhalation may cause pneumoconiosis, producing distinctive changes in the lungs with no apparent disability or complications.

**Silver** – chronic skin contact or ingestion of silver dusts, salts or fume can result in a condition known as Argyria, a condition with bluish pigmentation of the skin and eyes.

**Tin** – prolonged inhalation of dust or fume may result in irritation of the lungs.

**Copper** – Repeated ingestion may damage the liver and kidneys.

**Note:** The Indium Corporation does not recommend, manufacture, market or endorse any of its products for human consumption.

Solid metal mixture does not pose any hazard in its original form.

**WARNING:** This product can expose you to chemicals including [trace amounts of lead] which is known to the State of California to cause cancer, and birth defects or other reproductive harm. For more information go to [www.P65Warnings.ca.gov](http://www.P65Warnings.ca.gov)

4. FIRST AID MEASURES

Eye Contact: Hold eyelids apart and flush eyes with plenty of tepid water for at least 15 minutes. Seek medical attention if irritation persists.

Ingestion: If patient is conscious, ONLY induce vomiting as directed by trained personnel. NEVER give anything by mouth to an unconscious person. Seek medical attention immediately.

Inhalation: Remove to fresh air. If not breathing, give artificial respiration or oxygen by trained personnel. Seek immediate medical attention.

Skin Contact: Remove contaminated clothing. Wash affected area with soap and water. Wash clothing before reuse. If irritation persists, obtain medical attention.
5. FIRE FIGHTING MEASURES

Flash Point: Not established.  Method: Not established.
Auto-ignition Temperature: Not applicable
Flammable Limits: Fine dusts and powders could be a potential explosion hazard.
Extinguishing Media: Use extinguishers appropriate for the surrounding fire conditions. Use dry sand, sodium chloride, or dolomite. Water, A/B/C extinguishers and halogenated agents are not recommended.
Special Fire Fighting Procedures: Firefighters wear an approved self-contained breathing apparatus and full protective clothing.

6. ACCIDENTAL RELEASE MEASURES

Spill or Leak Procedures: Wear respirator and other personal protective clothing. (See Exposure Controls/Personal Protection Section). Extinguish or remove all sources of ignition. Ventilate area. Clean up spill without generating or dispersing dust into the air. Vacuum solids instead of sweeping using a grounded unit. Reduce airborne dust and prevent scattering by moistening with water. Place spilt material in a container and dispose of in accordance with applicable regulations.

7. HANDLING AND STORAGE

Handling Precautions: Avoid breathing vapors from heated material and dusts from cutting or grinding. Avoid contact with eyes, skin and clothing when preforming these tasks. Follow routine safe handling procedures. Use with adequate ventilation. Normal handling of solid metal does not pose a hazard.

Storage Precautions: Keep away from heat and flame. Store in suitable, tightly capped, and labeled containers in cool dry, well-ventilated area. Empty containers may be hazardous as they contain product residue.

8. EXPOSURE CONTROLS / PERSONAL PROTECTION

Engineering Controls: Local exhaust ventilation or point source ventilation is recommended to control any air contaminants or potential exposure during certain work tasks. Keep exposures below regulatory limits.

Personal protection:
Eyes: Chemical safety glasses/goggles. Face shield recommended when handling molten metal.
Respirator: A NIOSH approved or EU compliant CE marked air-purifying respirator with a fume/dust chemical cartridge is recommended under certain circumstances where airborne concentrations are expected to be elevated. Warning: Air purifying respirators do not protect the worker in oxygen-deficient atmospheres.
Skin: Wear protective gloves. Hot gloves for handling molten metal.
Other: Eye-wash fountain/shower in work area. Avoid the use of contact lenses in high fume and dust areas.

Work/Hygienic: Maintain good housekeeping. Clean up spills immediately. Good personal hygiene is essential. Avoid eating, smoking or drinking in the work area. Wash hands thoroughly with soap and water immediately upon leaving the work area.

9. PHYSICAL AND CHEMICAL PROPERTIES

Appearance: Solid - metal  Boiling Point: Not available
Odor: Odorless  Melting Point: 423F
Specific Gravity:  7.35  
Vapor Pressure:  Not available  
Vapor Density:  (air=1) Not applicable.

10. STABILITY AND REACTIVITY
   General:  Stable.
   Conditions to Avoid:  Heat, flame, ignition sources
   Incompatible Materials:  Halogens, sulfur and some acids
   Hazardous Decomposition / Combustion:  None
   Hazardous Polymerization:  Will not occur.

11. TOXICOLOGICAL INFORMATION
   Carcinogenicity:  NTP (National Toxicity Program):  No
                    OSHA (Occupational Safety & Health Administration):  No
                    IARC (International Agency for Research on Cancer):  No
   LD50:  Not established.  LC50:  Not established.

12. ECOLOGICAL INFORMATION
   No information available for the mixture.

13. DISPOSAL CONSIDERATION
   Waste Disposal Method:  Scrap metal alloy usually has value. Contact a commercial reclaimer for recycling. Otherwise, dispose of in accordance with all Federal, State and Local environmental regulations. In Europe follow the Special Waste Regulations.

14. TRANSPORT INFORMATION
   Transport in accordance with applicable regulations and requirements. Not regulated under US DOT (United States Department of Transportation).
   Non - hazardous material.
   Not regulated under USDOT/IATA/IMDG
   North American Emergency Guide Book – Not applicable

15. REGULATORY INFORMATION
   The information in this Safety Data Sheet meets the requirements of the United States Occupational Safety and Health Act and regulations promulgated hereunder (29 CFR 1910.1200 ET. SEQ.).
WARNING: This product can expose you to chemicals including [trace amounts of lead] which is known to the State of California to cause cancer, and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov

SARA 313 Listing - 40 CFR 372.65 – Silver, Copper
Ingredient is listed on the EPA TSCA Inventory.

This product has been classified in accordance with the requirements of the Mexican regulations: NOM-018-STPS-2015 and NOM-010-STPS-2014.

This product has been classified in accordance with the hazard criteria of the Canadian Controlled Products Regulation (CPR).

WHMIS: Not classified. Ingredients are listed on the Canadian Domestic Substance List.

This product has been classified in accordance with the guidelines, as set, by the Dept. of Industrial Health of the Republic of Singapore.

In China:
Decree No. 591: Regulations on the Control over Safety of Hazardous Chemicals
GB 30000.2-29-2013, Rules for classification and labeling of chemicals. (GHS)
GB/T 16483-2008, GB/T 17517-2013
This product has been classified in accordance with the Chinese Occupational Exposure Limit for Hazardous Agents in the Workplace GBZ2-2007.

This product has been classified in accordance with: Malaysian – OCCUPATIONAL SAFETY AND HEALTH (CLASSIFICATION, LABELING AND SAFETY DATA SHEET OF HAZARDOUS CHEMICALS) REGULATION OCTOBER 2013 – (CLASS).

16. OTHER INFORMATION

HMIS Hazard Rating:   Health: 1
Fire: 0
Reactivity: 0
Revised Date: 22 AUGUST 2019
Prepared by: Nancy Swarts, Indium Corporation of America
Approved by: Nancy Swarts, Indium Corporation of America

The information and recommendations contained herein are, to the best of The Indium Corporation of America's knowledge and belief, accurate and reliable as of the date issued. The Indium Corporation of America does not warrant or guarantee their accuracy or reliability, and The Indium Corporation of America shall not be liable for any loss or damage arising out of the user thereof. The information and recommendations are offered for the user's consideration and examination, and it is the user's responsibility to satisfy itself that they are suitable and complete for its particular use. If buyer repackages this product, legal counsel should be consulted to insure proper health, safety and other necessary information is included on the container.
